More Music, Fewer Hits

Upcoming Telethon

WRUW depends on the generous donations of YOU the listener to thrive! One-hundred percent of listener donations go straight to purchasing new music, producing live events, and improving the station. Our upcoming telethon will take place April 7-13. Keep supporting non-profit college radio alternatives!

Studio-A-Rama

Your telethon donations were responsible for the success of last summer's Studio-A-Rama with Guided by Voices! Keep your eyes and ears open for this summer's annual FREE concert on the Case Western Reserve University campus. The deadline for local band submissions will be announced very soon.

Hessler Street Fair

Speaking of summer, once again WRUW will be providing a live broadcast of the 2003 Hessler Street Fair on May 17-18 with live music and interviews with community members.

Becoming an Underwriter

Would your business like to sponsor our non-profit educational radio station through on-air announcements? Underwriters are afforded an enhanced public image because loyal WRUW listeners are like family to the station! Our listeners greatly value and recognize the underwriting investment made by local and regional businesses in support of college radio. For more information, contact underwrite@wruw.org.

A big thank you...

to our listeners for being patient during our webstreaming problems. Because of a bandwidth limitation imposed on traffic outside of our internal network, downloading archives and live webstreaming have been impaired. WRUW is currently investigating alternative streaming providers to help alleviate this problem. Thanks for your patience and thanks for listening!
